Week 5: *Under the Sea*

Summer Preschool Skills

This summer we will be working on some skills as we enjoy our summer weather. For the month of July, we will be talking about Red, White and

Blue where we will learn about the meaning of the 4th of July. Next we will be working on our social skills during our picnic week. Our pond life week comes next where we will be learning about the animals and the things that live in and around the pond. Next we go to the jungle and learn about the animals and bugs that live there. At the end of the month we will be learning about the fun

Summer is Here....Sunscreen Time

Now that summer is arriving we are able to go outside everyday in the morning and afternoon. We are asking families to bring in a bottle of sunscreen, in its original bottle, for those more sunny days. Feel free to bring bug spray in as well if your child needs it. Feel free to leave a light coat to leave on your child's hook if needed as well as a sunhat if your child needs to wear one. We would also like to encourage you to check your child's supply of extra clothing and make sure they are both appropriate for the season and in the correct size.

Water Bottles

We are asking families to please bring in new reusable water bottle for their child to use while we are outside. This makes it super convenient for us to keep hydrating them during our warm and sunny days. CLC will label each water bottle and clean and disinfect them each day so no worries to take them home each night. Thank you so much and the sooner you would like to bring them the better.

SCRIP

Have you ordered your **SCRIP** gift cards yet? It's a great way to earn money towards your tuition. Talk to Sandy or Lori with any questions.

Water Day

Starting Wednesday, July 1st we will begin having Water Day! Water Day will take place every Wednesday for the months of July and August (weather permitting). Please be sure to bring your child's swimsuit, towel, and water shoes or old tennis shoes each Wednesday. Also be sure to label all your child's items to prevent mix ups. You will need to take home your child's wet clothes every Wednesday after school.

Amazon Smiles Fundraiser

One way we are able to continue fundraising for CLC is through Amazon Smiles. Simply choose Community Learning Center Inc in Port Washington as your charitable organization. Each and every order you place through Amazon Smiles benefits CLC. Ask Sandy or Lori for any questions or to make sure we are receiving the credit through Amazon with Amazon Smiles. animals and creatures that live in the sea!!

amazonsmile
You shop. Amazon gives.

***REMINDER:** Please check your child's cubbie each night! There may be important office information and/or art projects that the children want to share with you.*

CLC Closed

CLC will be closed Friday, July 3rd in observance of Independence Day. If Thursday is a regularly scheduled day a vacation day will be posted to your account and Friday is a free day. Enjoy!!!

Closed-Toe Shoes

CLC's policy is that all children and staff wear closed-toe shoes while at CLC. This policy was put into effect for the children's safety. It is tough to walk in shoes that

Vacation

If you are planning on taking vacation days during the summer, please fill out a schedule change form no later than noon on Monday a week before so that we can properly prepare for staffing. If you are taking an extended vacation or terminating for a time, we need at least a 2 week notice. The more notice for time off, the better.

Culver's Treat

Since we have cancelled our walking trip to Culver's this summer, on July 14th we will be enjoying a custard treat delivery style!! Please bring \$3 CASH for this yummy dessert.
