Summer Preschool Skills

During the summer months we spend a lot of our time outside. There will be some days with more projects being done because of the weather and other days

when we do our projects outside, such as sidewalk chalk. We need to take advantage of this great weather in WI when we have it!!! This month's projects will focus mostly on animals found on land and in the ocean. We will also have fun with beach toys and pretend fireworks for the Fourth of July.

***REMINDER:** Please check your child's cubbie each night! There may be important office information and/or art projects that the children want to share with you.*

Summer is Here....Sunscreen Time

Now that summer is arriving we are able to go outside everyday in the morning and afternoon. We are asking families to bring in a bottle of sunscreen, in its original bottle, for those more sunny days. Feel free to bring bug spray in as well if your child needs it. Feel free to leave a light coat to leave on your child's hook if needed as well as a sunhat if your child needs to wear one. We would also like to encourage you to check your child's supply of extra clothing and make sure they are both appropriate for the season and in the correct size.

Water Bottles

We are asking families to please bring in new reusable water bottle for their child to use while we are outside. This makes it super convenient for us to keep hydrating them during our warm and sunny days. CLC will label each water bottle and clean and disinfect them each day

so no worries to take them home each night. Thank you so much and the sooner you would like to bring them the better.

Closed-Toe Shoes

CLC's policy is that all children and staff wear closed-toe shoes while at CLC. This policy was put into effect for the children's safety.

SCRIP

Have you ordered your **SCRIP** gift cards yet? It's a great way to earn money towards your tuition. Talk to Sandy or Lori with any questions.

CLC Closed

CLC will be closed Friday, July 3rd in observance of Independence Day. If Friday is regularly scheduled days, a vacation day will be posted to your account. Enjoy!!!

Water Day

Starting Wednesday, July 1st we will begin having Water Day! Water Day will take place every Wednesday for the months of July and August (weather permitting). Please be sure to bring your child's swimsuit, towel, and water shoes or old tennis shoes each Wednesday. Also be sure to label all your child's items to prevent mix ups. You will need to take home your child's wet clothes every Wednesday after school.

Bike Day

Starting Thursday, July 2nd we will start having Bike Day! Bike Day will take place every Thursday for the months of July and August. Please be sure to bring your child's labeled bike and helmet. Please drop off your child's bike and helmet out by the playground entrance, lined up on the grass each Thursday morning. Each child must have a helmet to ride their bike. Please remember to take home their helmet and bike each Thursday.

Amazon Smiles Fundraiser

One way we are able to continue fundraising for CLC is through Amazon Smiles. Simply choose Community Learning Center Inc in Port Washington as your charitable organization. Each and every order you place through Amazon Smiles benefits CLC. Ask Sandy or Lori for any questions or to make sure we are receiving the credit through Amazon with Amazon Smiles.

You shop. Amazon gives.

Culver's Treat

Since we have cancelled our walking trip to Culver's this summer, on July 14th we will be enjoying a custard treat delivery style!! Please bring \$3 CASH for this yummy dessert.
