

Fish Room Newsletter

March 2021

Happy 5th Birthday to the following Fish Room Friends
AM

- Dean L on the 30th

PM

- Adrian on the 30th

We hope you all have a wonderful birthday!

Curriculum Units:

Week 1: Celebrate Dr. Seuss: Virtual readers all week long!

Week 2: What's the Weather: 100th Day of school Celebration on the 12th

Week 3: Shamrocks: Wear green on the 17th

Week 4: Dinosaurs

Week 5: No 4K SPRING BREAK March 29th -April 5th

Last Month's 4K skills: In the month of February we worked very hard on lowercase letters and sounds. The kids are making a strong transition into writing upper and lower case letters when writing their names. We also spent a lot of time working on numbers and grouping. During our Post Office unit we spent a lot of time counting and recognizing numbers.

This Month's 4K skills: This month we will continue to work on letter sounds. The kids are starting to get a good understanding that when the letters are put together they make words. We will continue to sound out words we look at each day. We will also continue to focus on rhyming and beginning sounds of words. We really want to immerse the kids with as many letters and sounds as we can daily. Nursery Rhymes (last month) and Dr. Seuss week is always a great time for rhyming and getting a feel for which words sound the same. This month we will also start a fun activity called Hagerty, which focus on literacy sounds and rhyming.

Valentine's Day Party:

Thank you to all of our families who brought in treats for our Valentines Party. The kids had a great day sharing their Valentines and enjoying all the treats we had that day.

Spring Break: NO 4K Monday March 29th – Monday April 5th For those families needing childcare this week we will be sending out a schedule for you to fill out. Please keep an eye on your parent cubbies.

100th Day of 4K:

Our 100th day of 4K will be on Friday, March 12th. We will be counting everything in sight. We are also going to plan our 100th day snack just a little differently. I'll have a sign-up sheet asking for a few items we can count as a class. Such as goldfish, fruit snacks, M&M's, popcorn and cereal. I will count out the snack with the kids and we will share them all together. We are planning on sharing these snacks with each other in the most Covid safe way.

Special Dr. Seuss Readers:

We are inviting all Moms, Dads, Grandmas, Grandpas, Uncles, Aunts, and special adult friends to come and read to our class their

favorite Dr. Seuss books. Dr. Seuss week is Monday March 1st thru Friday March 5th. Our special reading times will vary because they will be through Zoom. We have several families already signed up but if you are interested in reading or know somebody who would be please see Miss Jen to set up the date they'd like to virtually read to us. We love having special visitors, even if it is on the computer. We also have several Dr. Seuss books in our classroom library that we can offer for reading if someone is unsure what they want to read.

Daylight Savings time:

Spring is coming....It's time again to spring FORWARD! Remember to move your clocks D on hour on Sunday March 14, 2021.

Looking Ahead: Just a reminder Miss Jen will be on maternity leave in April and Miss Heather will be our fantastic substitute teacher in 4K.

4K Graduation: Due to Covid we will not be having our traditional 4K celebration at Dunwiddie. Instead we will be going through our 4K program and video it for parent's to watch on Seesaw. I will have a permission slip for families to sign allowing us to post the video on our class site for other families to view. Our date for videoing graduation is Thursday June 3rd.

Last day of 4K is Friday June 4th

CLC Culvers Nights

Each month, the 4th Wednesday will be an amazing fundraiser at our local Culver's. Eat in, carryout or cruise through the drive thru between 5-8pm and Culver's will donate a percentage of all sales to CLC. This month's special day is Wednesday, March 24th. We hope to see everyone there. Thank you in advance for helping to fundraise for CLC. We wouldn't be here without all our wonderful families and staff.

SCRIP

Gift card fundraising is the most convenient way to raise money--simply by doing everyday things. Like grabbing your morning coffee, filling up your gas tank or streaming your favorite TV shows.

Budget friendly--There's no need to buy things you don't want. There's no need to spend extra money.

Time Saving--It fits right into your schedule, without having to sell door-to-door or plan events.

Contactless--Use your smartphone or tablet to earn from anywhere--even from the comfort of your own home.

Simple steps for creating opportunities:

You buy a gift card at the face value

The brand gives back and no extra money comes out of your pocket.

You and your organization earn money!!!

Ask Lori or Sandy any questions and we will help you to enroll today!!!
