Field Trips

Due to all the kids being so busy we have only a few field trips during the month of July

- **Wednesday July 24th Walking trip to Culvers**
\$3 CASH please for a small ice cream treat after summer school.
- **Friday July 26th Lunch at Culvers:** CLC is going to treat all the children to a kids snack pack lunch at Culvers to celebrate the last day of summer school. There is no cost for this trip.
- **Wednesday July 31st: Shalom Wildlife Sanctuary/ Zoo \$10 CASH:** 10:00am-3:00pm SAFFE will be spending the day at Shalom. CLC will be packing a picnic lunch for the children to enjoy while we are there. Bringing bug spray, reusable water bottle and tennis shoes are encouraged.

Backpacks

PLEASE bring a backpack to CLC each day your child attends. It helps store all their personal belongings, along with any art work they may make during the day.

Water Bottle

If your child has a reusable water bottle they may bring it each day to CLC to bring outside.

It also helps when we walk to the park.

Please make your child's name is on their own water bottle. We will send them home each night to be cleaned

Mailboxes for Parents

Your Mailbox slot may be moving. **PLEASE** make sure you look for your name and check your box daily.

Closed-Toe Shoes:

Just as a reminder, we ask all children to wear closed-toe shoes at CLC. If they chose to wear flip flops to summer school we ask that they bring a different pair of shoes along to change into once they return to CLC.

Water Day

Every Wednesday in July (Starting July 3rd weather and temperature permitting) and August we will have water day.

Please have your child bring a swimsuit, water shoes or a pair of shoes that can get wet and a towel. Your child does **NOT** have to participate but does have to be outside with the rest of the group when we are out there.

Family Picnic

Thank you to everyone who joined us in June for our annual parent picnic. It is wonderful to be able to work with our current families and we look forward to meeting future families as well.
